

Bodyshop Consulting & Eye-Load

Working To Together Improving Bodyshop Profitability

Your Bodyshop
A Possible User

Bodyshop Consulting & Eye-Load

Working To Together Improving Bodyshop Profitability

Our latest addition to the Eye-Load software is the very Visual Graphic Dashboard

- 7 days
- 14 Days
- 1 Month
- 3 Month
- 6 Month
- 1 Year
- All the trends that are happening can all be seen in real time at any time – Calendar days or Workshop days
- Individual Bodyshop or Groups – National or Regional
- Average Workshop hours sold per day - Target 6hr +
- Cycle days - what ever you wish to monitor
- What is the average time jobs sit in a resource?
 - Estimating
 - Paint
 - Panel
 - MET
 - Delivery

Bodyshop Consulting & Eye-Load

Working To Together Improving Bodyshop Profitability

- The Eye-Load Dashboard is designed to give you instant Visual data – to act upon! Proactive not Reactive
- Before the problem(s) turn into compromising your business reputation and having a cost implication attached.
